LuxRender is now part of the Software Freedom Conservancy, which allows us to receive donations to foster the development and cover the expenses of the LuxRender project. For each donation you'll do, a small amount will go to the Conservancy so that it can benefit all the member projects, and the rest will be made available to LuxRender.
In the United States, you can benefit from tax deductions according to the Conservancy 501(c)(3) not for profit organization status.
You can donate at here.
