Erledigt DELL Inspiron 15 7570 Sierra & Mojave (kein Sound)

Beitrag von „DerGiftzwerg“ vom 30. Juni 2018, 21:20

Also ohne den Kext, zeigt er mir garkeinen Sound mehr an.

Kannst du mir sagen, wie ich die ID ändern kann?

```
<key>Audio-Alc255</key>
<dict>
        <key>CFBundleIdentifier</key>
        <string>com.kraehwer.frame-tidemusic</string>
