

# Erledigt HP Pavilion dv5145EA

Beitrag von „MacSteel“ vom 13. Januar 2015, 15:04

Hallo nochmal,

ich habe jetzt Systeminfo auf dem HP laufen lassen, da ist anscheinend doch kein GMA 950 verbaut (steht aber in der Beschreibung). Und der SD-Host Controller wird nicht unterstützt. Sonst aber scheint alles ok.

Bitte mal eure Expertenmeinung, ob ich meine Zeit da investieren sollte ?
