[English] GA-Z97-HD3 with HD4600 can not boot

Beitrag von „derHackfan“ vom 17. Januar 2016, 08:48

Zitat von thadeth

but always gets stucked (sometimes Kernel panic, sometimes still waiting for root device...)

Edit: Do you use Clover with or without DSDT.aml

without DSDT.aml El Capitan:

USB Stick in Clover/Kexts 10.11 and Other paste **FakeSMC.kext** and **NullCPUPowermanagement.kext**

without DSDT.aml Yosemite:

USB Stick in Clover/Kexts 10.10 paste **FakeSMC.kext** and **NullCPUPowermanagement.kext**
