Hello, i have a question regarding to a bios that i want to request, can i request it with 2 or three kext files wich i will provide? Im trying to fix it my own but i seem to do something wrong :(...My motherboard is a z97m-d3h and i am using the latest bios Z97MD3H_OZ167X.F8.zip, if i provide the kext could someone be so nice to put them inside somehow or if this is not the wright place on the forum could someone direct me to the wright place, thanks!!
