10.11.4 lässt sich ncith mittels Ozmosis installieren

Beitrag von „frey“ vom 29. März 2016, 19:04

[Zitat von crusher](#)

Try with this ROM.

ok, i've had the same problem with the same board (z97n g5).
after i've flashed your ozmosis version, i was able to start the installation process and it'll

hopefully finished in some minutes

so, now i let your version installed, or do i have to re-flash it with the latest version from here
[Ozmosis Mod für das GA-Z97N-Gaming 5 ?](#)
