## **USB 2.0 USB 3.0 EL CAPITAN 10.11.4**

**Beitrag von „rubenszy“ vom 27. April 2016, 07:28**

put aDummyHDA.kext and AppleHDA.kext to S\LE with Kext Utility  
copy the KextsToPatch from the config.plist to your clover config.plist  
put the DSDT.aml in the EFI\CLOVER\ACPI\patched folder and the USBInjectAll.kext in the  
EFI\CLOVER\kexts\10.11 folder

remove all toleda appleHDA patch in your clover config
