USB 2.0 USB 3.0 EL CAPITAN 10.11.4

Beitrag von „Sofista“ vom 27. April 2016, 13:52

I activated the sound of my hackintosh using the application MAC POISON EL CAPITAN have 8 USB ports on my Hackintosh and only 2 USB ports are not enabled just want to activate the 2 USB ports that have not been activated. .. I'm from Brazil ... I would have to explain to me using picture of how to enable the USB ports?
