OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „sonicman“ vom 15. Mai 2016, 03:23

Flashing now will report back.

sonicman

Edit: Works Windows 7 sp 1 works find now to install el-cap! Do I need to make any edits to install el-cap.

Thanks for the bios Delta9

sonicman

Please don't get mad but here is a file that also needs it ozmosis 167x. This one already has some edit added that owork fine I just need ozmosis 167x add also, still need it to be windows compatible.

Thanks

sonicman
