OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „aleko.pc“ vom 22. Mai 2016, 12:53

[Zitat von al6042](#)

Would you please try to phrase your questions and issues in english since your translation attempts with whatever tool you using make no sense.

And also don't open an new thread if your problem is still connected to your Ozmosis ROM

I was helped by a wonderful man thrust (Ozmosis) In the BIOS MY BUT load, it is with the stick can not understand what is the reason in the BIOS OR FLUSH
