Dann braucht der Freund ja auch noch eine Snow Leopard Retail DVD 10.6.3 aus dem Apple Store und eine Apple ID, das geht beim Shoppen meistens unter.

Ganz ehrlich? Nö.

Ob ich mir die DVD kaufe oder in China ein Sack Reis umkippt spielt keine Rolle, die Diskussion war hier ja eh schon viel zu oft.

Apple AGB. Da braucht´s auch keine DVD 😊

ENGLISH

APPLE INC.
SOFTWARE LICENSE AGREEMENT FOR MAC OS X
Single Use, Family Pack and Leopard Upgrade Licenses for use on Apple-branded Systems

B. Mac App Store License. If you obtained a license for the Apple Software from the Mac App Store, then subject to the terms and conditions of this License and as permitted by the Mac App Store Usage Rules set forth in the App Store Terms and Conditions (<http://www.apple.com/legal/internet-services/itunes/ww/>) ("Usage Rules"), you are granted a limited, non-transferable, non-exclusive license:

(i) to download, install, use and run for personal, non-commercial use, one (1) copy of the Apple Software directly on each Apple-branded computer running OS X Yosemite, OS X Mavericks, OS X Mountain Lion, OS X Lion or OS X Snow Leopard ("Mac Computer") that you own or control;

(ii) if you are a commercial enterprise or educational institution, to download, install, use and run one (1) copy of the Apple Software for use either: (a) by a single individual on each of the Mac Computer(s) that you own or control, or (b) by multiple individuals on a single shared Mac Computer that you own or control. For example, a single employee may use the Apple Software on both the employee's desktop Mac Computer and laptop Mac Computer, or multiple students may serially use the Apple Software on a single Mac Computer located at a resource center or library; and

(iii) to install, use and run up to two (2) additional copies or instances of the Apple Software within virtual operating system environments on each Mac Computer you own or control that is already running the Apple Software, for purposes of: (a) software development; (b) testing during software development; (c) using OS X Server; or (d) personal, non-commercial use.

Also hört bitte auf mit diesem echt schwachsinnigen "Kauf eine DVD" die 20€ kann ich mir auch sparen.
