

Erledigt iMessage

Beitrag von „al6042“ vom 20. August 2016, 21:54

Die kannst du sehen, wenn du in den Systeminformationen in der linken Liste auf "Netzwerk" klickst:

The screenshot shows the 'System Information' window with the 'Network' section selected in the left sidebar. The main pane displays a table of active network services.

Active Services	Type	Hardware	BSD Device Name	IPv4 Addresses
VPN (on)	IPSec			
Ethernet	Ethernet	Ethernet	en0	
Wi-Fi	AirPort	AirPort	en1	
Bluetooth PAN	Ethernet	Ethernet	en2	
FireWire	FireWire	FireWire	fw0	
Built-in Serial Port	PPP (PPPSerial)	Modem	serial1	
Parallels Shared #0	Ethernet	Ethernet	vnic0	
Parallels Host-Only #1	Ethernet	Ethernet	vnic1
