## Problem MSI Z87 G43 Gaming

Beitrag von „Cuccheis“ vom 27. August 2016, 11:56

[Zitat von al6042](#)

You should use HDAudio...

[@IngoG](#) just had the same issue by selecting AC97 instead of HDAudio in his BIOS.

The same solution was prepared on his box, but Audio only started to work after he selected HDAudio in his BIOS.

Already enabled .. Don't recognize hdmi audio or analog audio 😞 i must enable it with clover ?
