## OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „MacGrummel“ vom 9. September 2016, 13:45

[@jcb84](#) and [@Nicolaskae](#) and [@thierry](#).: It's not possible to build an Ozmosis-Rom for the H97-Gigabyte-Boards with completely running Ozmosis. You would better try to use Clover. [The build-in Rom is just to small!](#)
