## **need help in installation el capitan on lenovo g 50**

**Beitrag von „al6042“ vom 27. September 2016, 10:35**

Hi and welcome to the forum...

Please add your hardware details either in your signature or in your profile, in the section "About me".

Did you deactivate Secure Boot in your BIOS?

How did you create the install USB-stick?

What Bootloader are you using?
