## **iMessage und Facetime aktivieren mit Clover und Ozmosis Rom Update Heute**

**Beitrag von „Thogg Niatiz“ vom 30. September 2016, 15:27**

[@Sofista](#) First ... don't hijack threads that are almost two years old ... Why don't you stay in one of your Facetime/iMessage Threads ...? This would help to keep track of your issues and what you already tried
