## Intel Graphics 4000 Clover

**Beitrag von „anonymous\_writer“ vom 20. März 2017, 19:05**

Hello AceWeal,

You can test this EFI folder. It is for my ASUS P8H77-M PRO, but should also work with your Asus p8z77m pro.

RT Variables and System Parameters I have changed different to my one.

Regards wl\_michael
