Intel Graphics 4000 Clover

Beitrag von „anonymous_writer“ vom 20. März 2017, 20:10

One point I've forgotten.

I have a Intel i7 3770 on the Mainbord. You have Intel i5 3570k.

In the Folder /EFI/CLOVER/ACPI/patched there is one file named SSDT.aml. Please delete this file, this is for my I7.

You can create a new one if need by follow this link.
