## OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „chohsiao“ vom 27. März 2017, 16:08

[Zitat von Fredde2209](#)

Well, I See, you've overclocked it to 4.8 GHz... I don't know, wether it has any effect but you can try to Boot with stock CPU settings and create an ssdt later

I don't overclocked, the frequency is default.
