Pascal kommt (vielleicht) ...

Beitrag von „Pumuckl“ vom 10. April 2017, 20:11

Auf die Gefahr hin, dass das alles schon alter Kaffee ist:

Open to Mac Community

Speaking of users, we're also making the new TITAN Xp open to the Mac community with new Pascal drivers, coming this month. For the first time, this gives Mac users access to the immense horsepower delivered by our award-winning Pascal-powered GPUs.

Liebe Grüsse vom Pumuckl
