macOS Sierra and High Sierra - Gigabyte GA-X99-Ultra Gaming i7-6850K

Beitrag von „FuurioBR“ vom 6. Juni 2017, 23:26

How can I use this with i7-5960X ??

Also

"6.)Download my (PostinstallEFI.zip) extract and replace entyre EFI folder from your Sierra hard drive."

You mean the usb EFI or do this after the MacOS installation?
