OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „crusher“ vom 13. Juli 2017, 10:42

[Zitat von jhahn](#)

[crusher](#): Bios for B85N-Phoenix working perfectly, changed Defaults.plist - thank you

very much!

You're welcome. For High Sierra u need add apfs via bcfg or in ROM. I hope you have a space because apfs ffs is very little file.
