High Sierra Anleitung für Haswell - (GA-H81M-HD3)

Beitrag von „al6042“ vom 21. August 2017, 23:20

Hi and welcome to the forum... 😊

Would you please enter your hardware details either in your signature or your profil, in the section "About me"?

With those details we will be able to help you with out much questioning about your hardware setup...

Thanks in advance.
