OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „puppy915“ vom 29. September 2017, 21:40

OK,I 'll get it a try

[@griven](#)

Well...Seems it doesn't work

Erasing the APFS partition and so on were normal

But after finishing the first stage,it restarted automatically

And then there is no Ozmosis boot option ,it booted win7 automatically

Then I restarted,what I can see is shown in the picture.

And why can't I reply this thread ?
