Galaxy Book 12 El Capitan on Oled device

Beitrag von „modzilla“ vom 20. Oktober 2017, 16:15

So then there are 2 options;:

1. Try out VoodooHDA and wish luck
2. Or build ur very own Codec: <http://forum.osxlatitude.com/i...-applehda-patching-guide/>

But I haven't tried any of those...

I'm pretty sure that someone in this Forum knows how it works, tho
