

Erledigt

Gelöst: El Capitan, Lenovo s430: HDMI/DP-Out, HDMI Audio und internes Mic.

Beitrag von „MacJunk“ vom 28. November 2017, 22:42

Sorry for speaking in English, but just wanted to say thanks! Spotting this thread pointed to the correct layout for the microphone to work in High Sierra.

Thanks Again!

ps did you manage to get the battery meter to work in macOS?
