Request a bios!

Now I got a motherboard GA-B85N-Phenix Ver 2.0, But In the Forum I can't find ozmosis bios for this board!

I try to mod by myself, But always err that have no enough space,

BIOS Ver: F3, link: http://download.gigabyte.us/Fi...-b85n-phoenix-wifi_f3.zip

anyone has this board too, then help me !
