## **Kein Audio nach Sleep Alc1150 Sierra**

**Beitrag von „al6042“ vom 18. Dezember 2017, 18:25**

You already asked for support in this thread... Please do not open up another one, but stay in this thread.

Also: Please add your hardware details either in your signature or your profile, in the section "About me", so everybody who's able to help, can do that without a lot of unnecessary questions.
