## **Hp 8470p Fixes!**

**Beitrag von „pole“ vom 15. Januar 2018, 21:44**

nothing is impossible, I guess 😊  
i think so too.

As is said :D, yes I made with ssdtPRGen.sh and I created another one of with "old" Probook Installer.

Edit1: But I don't know which generated ssdt file there is in folder.  
Reattach it ?
