Erledigt ASUS Z10PE-D8 WS HIGH SIERRA Ozmosis

Beitrag von „al6042" vom 19. März 2018, 07:34

HI and welcome to the forum... 🙂

This is a Dual-CPU server board with an server-based chipset (C612) for which I doubt Ozmosis will work at all.
But maybe some of the Ozmosis specialist might have some more insight.
