

# AirportBrcmFixup Patch Sammlung für Broadcom Airport Wi-Fi Karten

Beitrag von „Noir0SX“ vom 30. März 2018, 12:35

## v1.1.2

- FakeBrcm is destroyed & removed from ioreg, there is no need to start original airport driver, glOCatalogue->removeDrivers called for FakeBrcm does this.
- Deep refactoring for FakeBrcm & BRCMFX, improved matching logic
