OZMOSIS REQUEST THREAD / Ozmosis (Hilfe und Diskussion)

Beitrag von „firefly_can_fly“ vom 10. Mai 2018, 22:35

Can i ask for Bios mod with OZ for GA-Z97X-UD3H v 1.1, please?

I've tried to do it myself, but for couple days i cant manage to fit it all and make it compile without an error.
