

NVIDIA Webdriver - High Sierra 10.13.x

Beitrag von „anonymous_writer“ vom 2. Juni 2018, 11:13

Hier vorab der Link zum Webdriver für High Sierra 10.13.5 (17F77).

<https://images.nvidia.com/mac/...r-387.10.10.10.35.106.pkg>

Und hier der Link zum passenden CUDA Driver:

<http://www.nvidia.com/object/macosex-cuda-396.64-driver.html>

New Release 396.64

CUDA driver update to support CUDA Toolkit 9.2, macOS 10.13.4 and NVIDIA display driver 387.10.10.10.30.107

Recommended CUDA version(s):

CUDA 9.2

Supported macOS

10.13.x

An alternative method to download the latest CUDA driver is within macOS environment. Access the latest driver through System Preferences > Other > CUDA. Click 'Install CUDA Update'
