Bluetooth 4.0 Karte AirDrop Hand-Off Hilfe!!!

Beitrag von „alex4you83“ vom 6. Juni 2018, 17:27

Das ist hier, ist das was ich hier raus lesen kann:

```
leaning up old Wi-Fi kext... WARNING. Failed to delete the legacy Brcm4331 Wi-Fi kext.  
Continuing.
```

```
Applying legacy Wi-Fi card patch... OK
```

```
Updating kext caches... \
```

```
UND:
```

```
NOT OK. IOBluetoothFamily.kext backup failed. IO80211Family.kext backup failed.
```

Und nu?
