macOS Mojave Ozmosis BETA – OZ167X-XMAX

Beitrag von „kuckkuck“ vom 24. Juni 2018, 12:16

I can't really understand what you're saying but maybe it helps not to use APFSDriverLoader but this instead: [https://www.insanelymac.com/fo...ndComment&comment=2621862](https://www.insanelymac.com/forum/thread/37862-macos-mojave-ozmosis-beta-oz167x-xmax/?postID=424125#post424125)

You can also try this: [Post 10](#)
