## Nvidia Geforce 210

Beitrag von „ozw00d“ vom 25. Juni 2018, 17:44

[Zitat von anonymous writer](#)

Fore sure all GeForce-900-series (Maxwell) and GeForce-10-series (Pascal) with Webdriver. But Webdriver will come with the official release of Mojave.

really? so there is no more neded to install third party drivers from nvidia?
