## **High Sierra auf HP ProBook 640 G2**

**Beitrag von „playmo“ vom 1. August 2018, 16:03**

Hi mate, thank you for this guide, I have a Probook 640 G1 <https://support.hp.com/ca-en/document/c03963187>

[Can you please help me understand how to edit above linked EFI to fit my spect tech?](#)

[I thank you in advance](#)

[Take care](#)
