[gelöst] Acer Spin 5: Finetuning !

Beitrag von „MrVanosh“ vom 9. August 2018, 20:59

Lol it's weird. Which kext you use for keyboard? I use VoodooPS2Controller with removed mouse and trackpad plugin only keyboard. Please give all Clover folder with origin and patched DSDT and ioreg copy and log file from command log show --predicate 'process == "kernel"' --start "2018-08-09 00:00:00" > log.log
