

Erledigt Mojave GTX1060

Beitrag von „Tommisan“ vom 27. September 2018, 12:40

Von den Verrückten, die bei NV Support nachgefragt haben:

Translation of Nvidia Support answer: "Webdriver will be released but I can't say when. Yesterday I got information from the engineering department that they are working on it right now. Probably it will take about 2-3 weeks."
