## OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „sonicman“ vom 10. Oktober 2018, 03:02

"Then please try that out. If it does not work, here's an alternative ROM for you: [B75MHD3.F5-XMAX.rom](#)"

No luck with my HD 7000 card or the new bios. I can not even boot at the already installed MacOS el capitan from either bios.
