OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „kuckkuck“ vom 14. Oktober 2018, 17:27

Do you have a link?

Yes, it's possible to use Ozmosis with new HW in some cases, but you will have to use rEFInd or similar (e.g DBounce) to load the necessary modules. It will not be possible to simply insert all files into the ROM.
