Do I find a solution to this problem

<https://www.gulf-up.com/i/00073/761ahzzl0hg3.png>

My device is well with elcapin but there is a problem with defining the AMD Radeon HD 6470M Series card

But I can not define AMD Radeon HD 6470M Series on mojave

OR high sierra

Device information

hp elitebook 8460p

Only one video card

Please help
