OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „helmett“ vom 24. Oktober 2018, 17:35

[Zitat von kuckkuck](#)

[user = '30672'] helmett [/ user] There's a ROM available for download here: [Ozmosis Mod for Z97X-UD7TH](#)

Its backwards compatible until OS X Mavericks, so it can be used both with Mojave and High Sierra, too.

Oh So i can use the latest beta you did also for HS if i understan well ...

good!!! thaks for clarifing it
