M.2 key M to M.2 key A(+E) for WIFI + BT adapter

Beitrag von „jn13“ vom 28. Oktober 2018, 23:37

[influenist](#) thanks! It is possible that I sell my xiaomi Mi Air 8550u and change it to [xiaomi pro](#) gtx (800\$), because I wanted to use NVME... because recently I bought 970 evo 500gb. I buy wifi by yoybuy(taobao) too.
