OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „kuckkuck“ vom 19. Dezember 2018, 20:46

[qzl520](#) This ROM is High Sierra ready and able to boot HFS and APFS Drives. If you want to use HFS with High Sierra, I advise you to use UnSolid.kext from the EFI.

[B85NPW.F3-HS.rom](#)

If you want to use Mojave, this ROM is Mojave Ready and contains the Ozm-XMAX Version:

[B85NPW.F3-XMAX.rom](#)

Please send me feedback about your success!
