## OZMOSIS REQUEST THREAD / Ozmosis Anfragen [1. Beitrag beachten!]

Beitrag von „forisman“ vom 20. Dezember 2018, 09:36

[Zitat von griven](#)

[forisman](#) try this one: [E7758IMS.1A0.zip](#)

It contains the OZ XMAX Mod (Mojave Ready), ACPIPatcher, KernExtPatcher, FakeSMC, Darboot and of course the Theme as well.

Thx my friend, i'll try this.

I just need to flash bios and this all?
