

MacOS effort for Xiaomi Mi Notebook & Gaming laptop series

Beitrag von „Medion“ vom 17. März 2019, 14:37

Hi [influenist](#), i'm willing to install mojave or an other mac os on my Xiaomi gaming laptop 2018 i7-8750h. 2 month ago i find your tutorial but now it seems that the link is dead 😞 . could you please repost your tutorial or post an updated link.

thank you very much for your great post
