HDMI audio in mac os mojave for ozmosis z 97 D3H

Beitrag von „nrchandar0100“ vom 9. Mai 2019, 04:50

Hi,

Ok tell me how to load ffs files in to rom. i used MM tool to replace the ffs files in rom. it went well but still i am unable to update 10.14.4.

Using MM tool i replace the KernnextPatcher. ffs, ozmosis defaults.ffs. still i failed. please tell me how to do it
