Lenovo Thinkpad E580

Beitrag von „dandepched“ vom 11. Juni 2019, 15:01

Apfelkompott , [Alasio](#) ,

So far I was able to make everything works except:

- Native Wi-Fi
- FN keys
- Radeon videocard

I've uploaded my EFI - <https://github.com/dandepched/Hackintosh-ThinkPad-E580>

If someone has additional fixes, please share.
