

## **Erledigt** Fix Asus n550jk-c - hd4600

**Beitrag von „mt-fr“ vom 3. August 2019, 10:44**

Hi.

My laptop space :

I7 7410HQ

8gb ram ddr3

intel HD4600

mac os 10.12

-----

I have a big problem with hd4600 because it has just 7mb Vram.

I don't know how can I fix it, I try more and more but I can't fix it.

now I upload the requested files. please help.
